### UGH! HOW CHILDREN HATE CASTOR OIL.

To Clean the Little One's Stomach Liver and Waste-Clogged Bowels Give Gentle "Syrup of Figs."

Look back at your childhood days. Remember the physic that mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. The day of harsh physic is over. We don't force the liver and 36 feet of bowels now; we coax them. We have no dreaded after effects. Mothers who cling to the old form of physic simply from tradition, make the little child's revolt ill-well-founded. Their little stomachs and tender bowels are injured by them.

If your child is fretful, peevish, half-sick, stomach sour, breath feverish and his little system full of cold, has diarrhoea, sore throat, stomach-ache, doesn't eat or rest well—remember—look at the tongue, if coated, give a teaspoonful of Syrup of Figs. It won't hurt, because you surely will have a well-smiling child in a few hours.

Syrup of Figs being composed entirely of luscious figs, senna and aromatic simply cannot be harmful. It sweetens the stomach, makes the liver active and thoroughly cleanses the little one's waste-clogged bowels. In a few hours all sour bile, undigested matter gently moves on and out of the system without gripping or nausea.

Directions for children of all ages, also for grown-ups, plainly printed on the package.

By all means get the genuine. Ask your druggist for the full name "Syrup of Figs and Elixir of Senna" prepared by the California Fig Syrup Co. Accept nothing else.
